The Parties agree that the fair market value of the services is equal to the what the Practice would normally charge for cash-pay, fee-for-service charges. A copy of these fees is available on request.

7. Fee and Service Offerings Adjustments. In the event that the Practice finds it necessary to increase or adjust monthly fees or Service offerings before the termination of the Agreement, Practice shall give Patients 60 days written notice of any adjustment.  18. **Severability.** If any part of this Agreement is considered legally invalid or unenforceable by a court of competent jurisdiction, that part will be amended to the extent necessary to be enforceable, and the remainder of the Agreement will stay in force as originally written.
 19. **Reimbursement for Services Rendered.** If this Agreement is held to be invalid for any reason, and the Practice is required to refund fees, You agree to pay the Practice an amount equal to the fair market value of the medical services You received during the time period for which the refunded fees were paid.

25. **No Waiver.** To allow for the flexibility of certain terms of the Agreement, each Party agrees that they may choose to delay or not to enforce the other Party's requirement or duty under this Agreement (for example, notice periods, payment terms, etc.). Doing so will not constitute a waiver of that duty or responsibility. The Party will have the right to enforce such terms again at any time.
